DUCKON III FURRY FANDOM TRACK

Welcome to our furry happening! I hope it's as uplifting for you as our friends on the cover are trying to achieve. Now let's see what Midwestern Furry Fandom can do -- **Guest Rollcall:**

FURRY ROOM (**Room 128**)
The Furry Room is a general purpose space for conversation, sketching, philosophizing, walk-in video, and whatever -- sort of a furry be-in. If you want to do some small scale huxtering in the furry room, ask the staff person there for more info. Space is very limited. Check out the excellent displays and make yourself at home. Feel free to start an Artists Jam. Please try to limit video to short features and PG-ish rating. Save the video marathons for the Furry Parties.

-The furry room will open on Friday Evening at 5pm
-Furry room signup for dealer table space will start at 5pm Friday, 9am Saturday and Sunday.
-The furry room must close before 3pm on Sunday!

INTERNET ROOM (**Room 127**)
Next door to the furry room is the Internet Room. Hours will be set by Karl Denninger of MCS fame. Use of this room for FurryMUCK access is a privilege and entirely at Karl's whim. E.L.V.I.S. will be setting up some of their computers there too - Check out the Morphing software.

Who To Blame
Robert King - Furry track coordinator and do-er of the not so fun jobs
Mike Grodemann - Chief provider of White Castles hamburgers to Mr. Groat
Collin "Guppy" Crisanti - Cruise Director and FurryMUCK Liason
Mark Saunders - Furry Party Coordinator and New Talent Artist (I said "New" not "No", "NEW"!)
Ralph the Wonder Llama - Assistant to Mr. Grodemann and administrator of old jokes.
